

Plant Closure Playbook

An overview of Hilco Global APAC team's
approach to plant closures

Introduction to us

Hilco Global APAC are the preeminent authority on understanding value of assets, and navigating local and global markets to monetise those assets.

Offering valuation, realisation and capital solutions, we are differentiated by our ability to act as advisor, agent, investor or principal in any transaction.

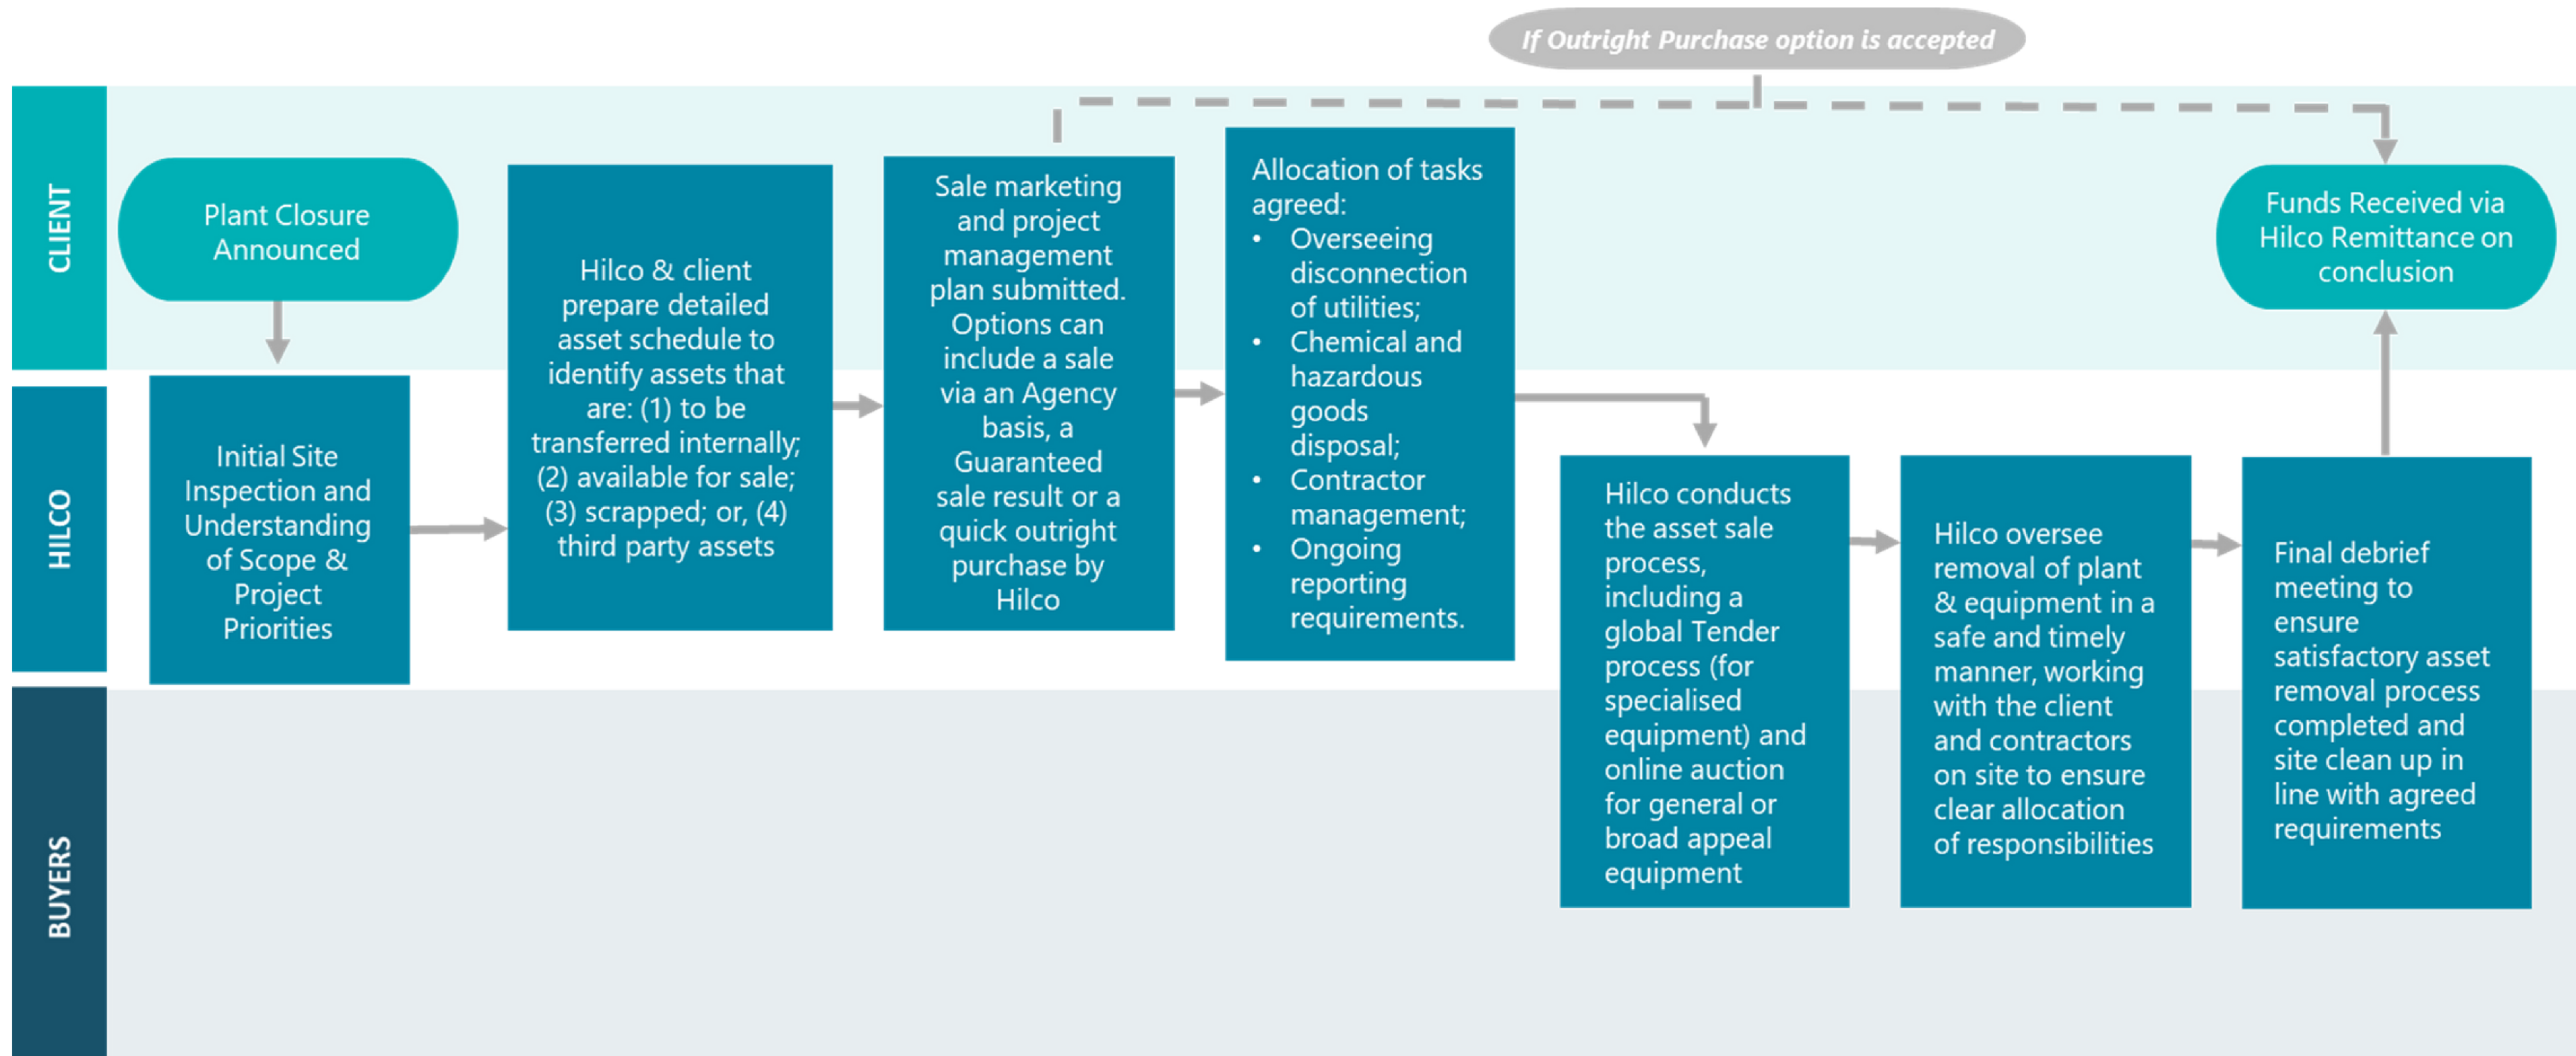

Our network gives you unrivalled access to hundreds of professionals worldwide who understand the value of assets better than anyone else.

An aerial photograph of an industrial port area, featuring various buildings, docks, and shipping lanes. Overlaid on the image is a network of white lines connecting circular nodes, creating a global or interconnected theme. The text is presented in white, bold, sans-serif font, centered on the image.

We are proud to be part of the Hilco Global Group

Teams in 26 locations globally
35 years of expertise
Over 700 asset professionals
\$1B of industrial sales annually
1,800 disposition projects every year

How we work

Commitment

from dedicated Project Managers with large scale project experience, with safety at the core of our methodology & culture

Flexibility

in commercial terms - acting as an agent, advisor or investor - and in approach, working to support overarching business plans

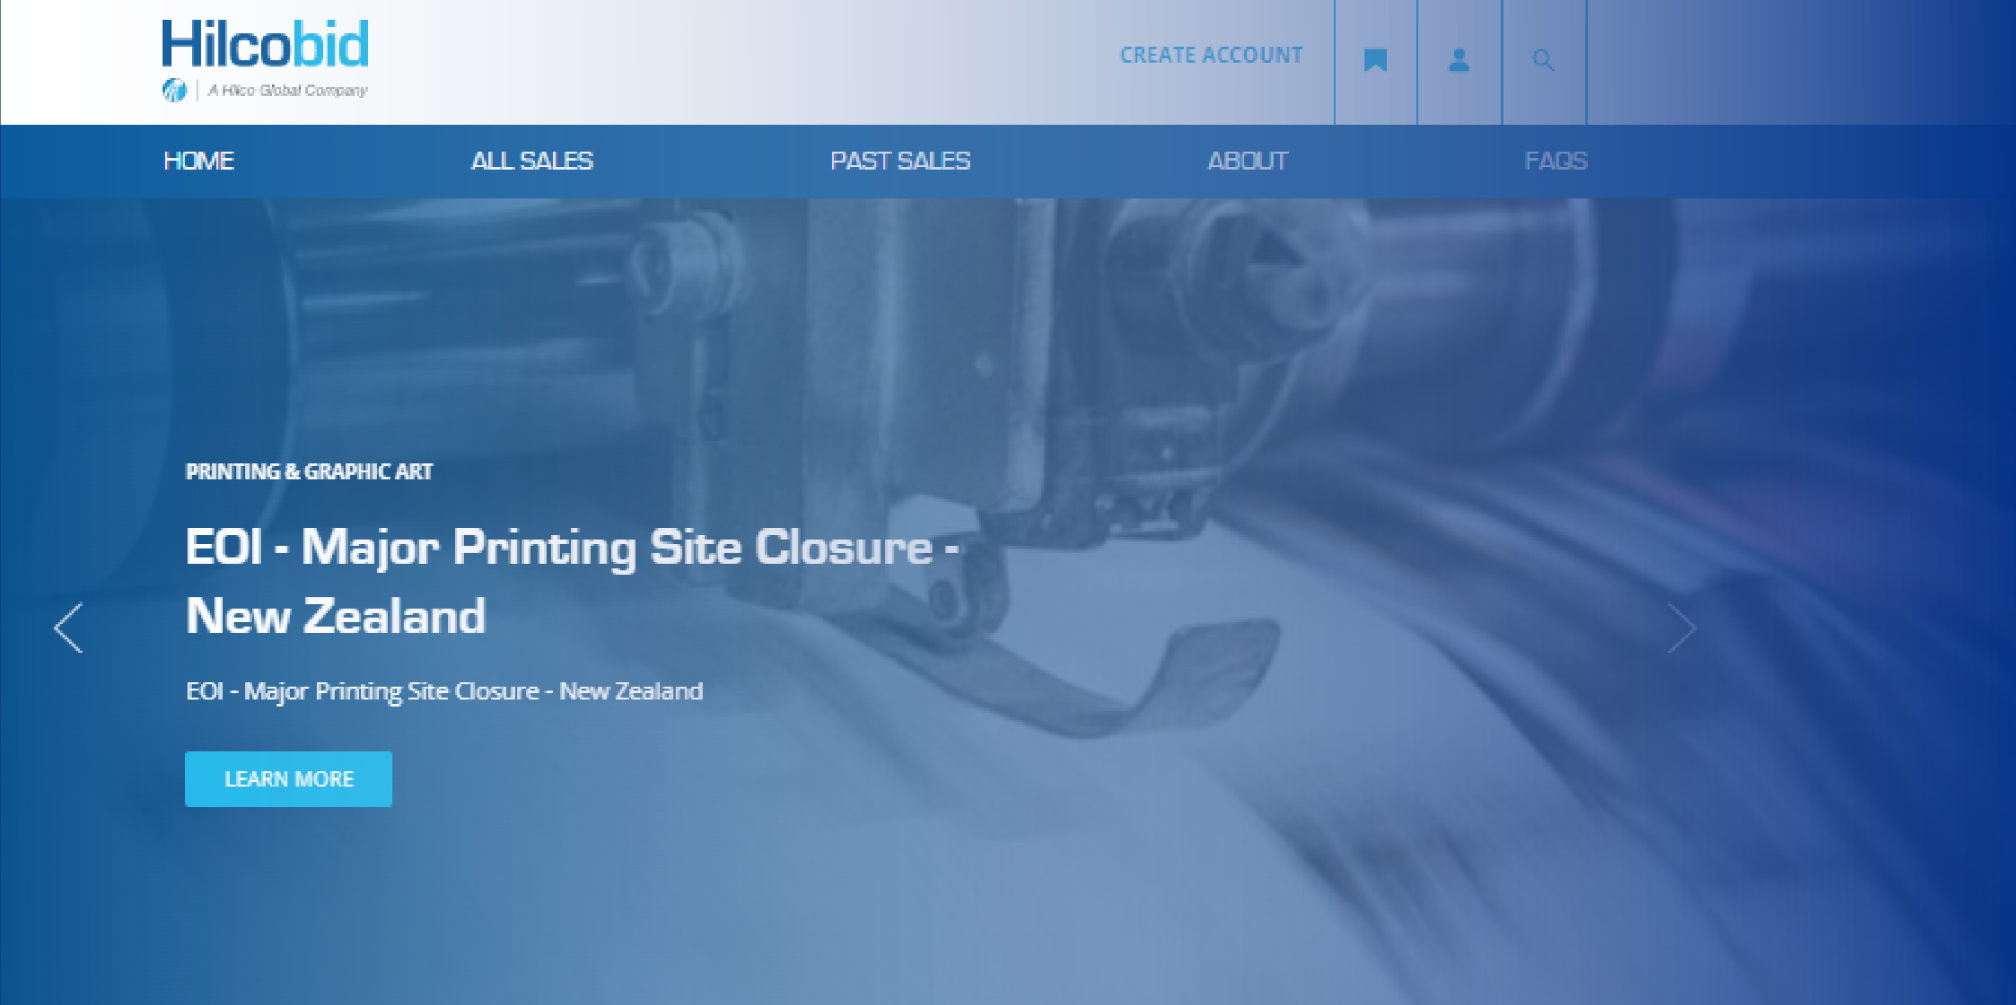

Complex projects that feel easy

through out local expertise on site, and global reach on sale

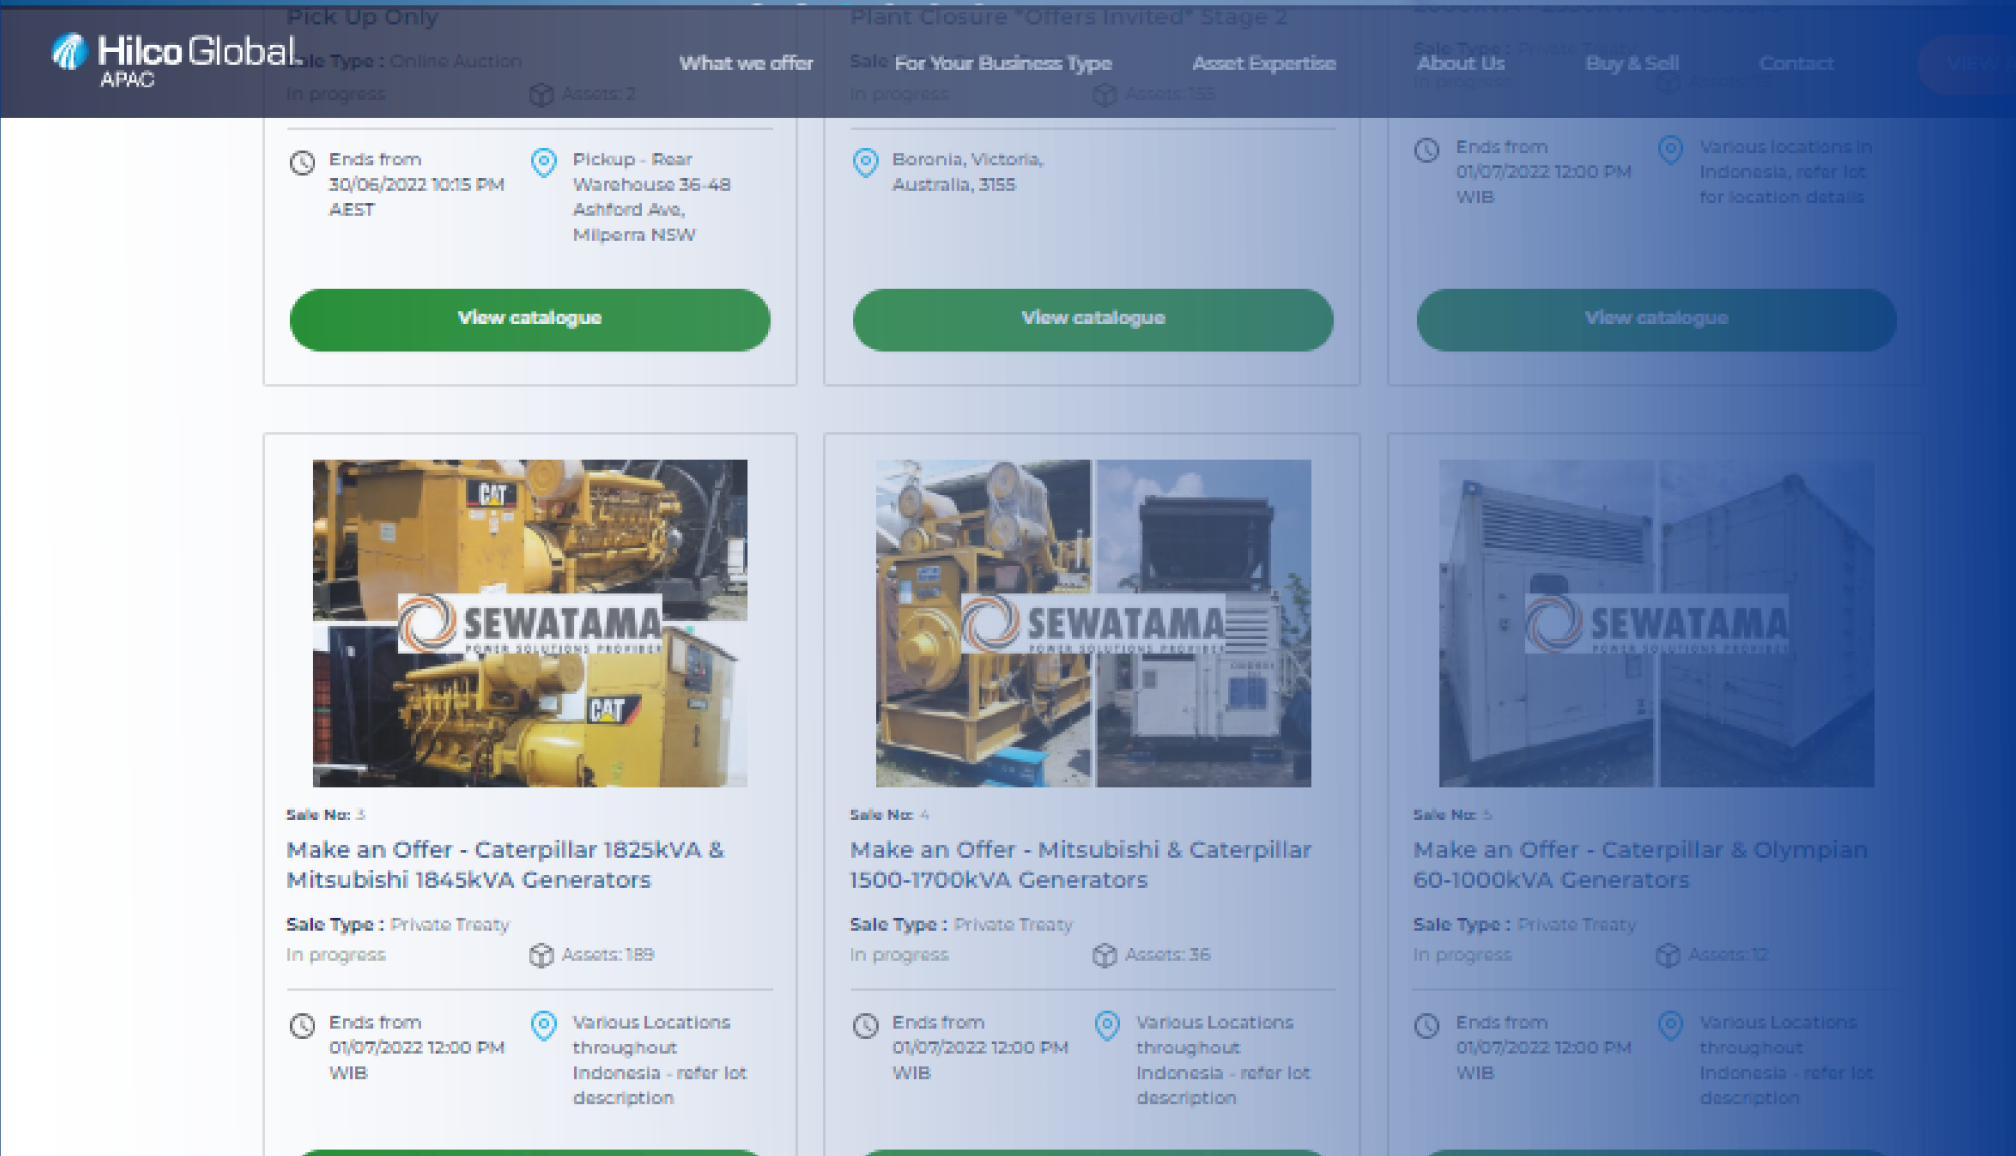

Access

to customised sale & promotions solutions - including bespoke digital marketing campaigns - coupled with Hilco Global's 2M+ buyer network

Our Sale Platforms
